NOTE FOR GRALDER FILE

MASA 1568
24 April 1952

The probable compromise of POB 109, used as an accommodation address for several agents of the Salzburg base. Several letters recently posted, including a letter from [] to [] have not arrived at their destinations.

Investigation of POB 109 is a delicate and difficult task. We cannot use our Austrian Police contacts because [] and Gralder 1, both of whom are Austrian police contacts of [], also have used POB 109 as an accommodation address. An investigation through the Austrian police might well blow the AIS affiliation of these agents.
